☐ Continuation Sheet Attached

Brief Description of Argument to be Presented:

Applicant would like to discuss the "substantially uniform thickness through all of the wall or walls through which cooling is effected..." wherein all references cited respectfully do not contemplate this limitation. Please see attached drawings for discussion.

An interview was conducted on the above-identified application on _____.

NOTE: This form should be completed by applicant and submitted to the examiner in advance of the interview (see MPEP § 713.01).

This application will not be delayed from issue because of applicant's failure to submit a written record of this interview. Therefore, applicant is advised to file a statement of the substance of this interview (37 CFR 1.133(b)) as soon as possible.
